*Invite you to join us!*

**Evangola State Park** is located in Brant, New York. (approx. a 1/2 hour drive from Buffalo) One of Evangola's big attractions is it's arc-shaped shore-line with a natural sand beach. For those more interested in nature, a large variety of wild life inhabit this 733 acre park.

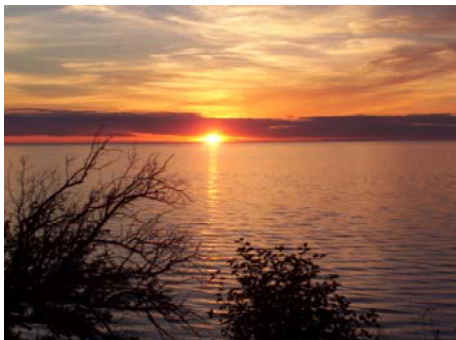

We offer a beautiful gazebo and banquet hall to help celebrate your special occasion.

The park has many habitats including lakeshore, woodland, meadow and wetlands.

We offer disc golf, hiking trails, camping, nature programs and much more.

The awesome sunsets over Lake Erie are second to none!

**O**pening Doors: Monthly meetings helping to develop ideas, improving our park to make it a fun and beautiful place for all to enjoy. Finding way to encourage tourism.

**U**niting: Working together with our community to create a welcoming environment for all.

**R**ecreation: Improving the existing programs and facilities.

**P**rograms: Promoting new recreational, educational and cultural opportunities.

**A**ssessing: Finding our visitors interests and coming up with plans to enhance our park.

**R**ecommending: Reporting our findings to the park management and working hand in hand to implement them.

**K**ids: Preserving and improving our park for our children and all future generations.
